Expert Lecture during 1 st International Conference on 'Molecules to Materials: Chemistry for Sustainable Future (M2ChemSF-2024) held on 21-22 November 2024.		I undoubtedly enjoyed visiting NIT Hamirpur. Starting from accommodation, food and excellent hospitality and it's nice campus made me and my family very happy. If I get a chance, would like to visit again.

Expert Lecture during 1 st International Conference on 'Molecules to Materials: Chemistry for Sustainable Future (M2ChemSF-2024) held on 21-22 November 2024.		NIT Hamirpur is a nice institution with a vibrant student community. The conference, which myself and my colleague, Prof. Subrata Ghosh attended in November 2024 was well organized and we had a great time interacting with your faculty colleagues, students and other resource persons.

Expert Lecture during 1 st International Conference on 'Molecules to Materials: Chemistry for Sustainable Future (M2ChemSF-2024) held on 21-22 November 2024.		"It was a privilege to be invited as an invited speaker to the 1st International Conference on Molecules to Materials: Chemistry for Sustainable Future (M2ChemSF-2024) at the Department of Chemistry, NIT Hamirpur. NIT Hamirpur has established itself as a center of academic and research excellence, nurturing innovative minds and fostering an environment of scientific curiosity. I deeply appreciate the opportunity to share my thoughts with this institute's esteemed faculty, researchers, and students, and I look forward to engaging in insightful discussions that will contribute to the future of sustainable chemistry, chemical engineering, nanotechnology, and materials science."
