

# Internship Procedure

NIT Hamirpur feels proud to invite and facilitate the students from different reputed institutions to do internship program in its premises. The internship program is designed to provide students engaged in a field experience with an opportunity to share their insights, to explore the links between students' academic preparation and their field work, and to assist participants in developing and carrying out the major research project which will serve to culminate their internship experience.

Internships are individualized and tailored at NIT Hamirpur to the needs and interests of each student in the program. As part of the internship experience, students are expected to take an active role in finding an appropriate internship in the different departments of NIT Hamirpur. The summarized view of **Internship Procedure** to apply at NIT Hamirpur is mentioned below:
