Assistant Professor (Gr-I) & Convener, IIC  
Department of Chemical Engineering  
NIT Hamirpur, Himachal Pradesh  
E-mail: [tapas@nith.ac.in](mailto:tapas@nith.ac.in)  
Phone: +91-9736363702

### About NIT Hamirpur

National Institute of Technology Hamirpur is one of the thirty one NITs in India. The Institute was established in 1986 as a Regional Engineering College, Hamirpur and subsequently awarded the status of NIT in 2002. The institute provides UG, PG and Doctorate degrees in different area of Engineering, Sciences, Architecture, Humanities and Management.

### Impact Lecture Series

The Impact Lecture Series implemented by MoE's Innovation Council (MIC) and AICTE, Govt. of India provides financial assistance to the IIC institutions for organizing two impact lecture sessions by inviting external experts on innovation, IPR and start up. These sessions intend to generate awareness and skill on Entrepreneurship, R&D and Innovation, IPR, Start-up and Technology transfer among students and faculties. Under this scheme, The expert speakers from reputed organizations will share their views and interact with the participant. The speakers will be creative designer, R&D and innovators, IPR expert, Start-up and Entrepreneurship expert. The participants will be able to know the various aspects of above fields.

### Objectives

The aim is to bring together the successful Entrepreneur, Start-up founder, IPR specialist, to exchange and share their experiences with Faculties, Scholars and Students and encourage them to undertake such activities. The objectives are to:

- Sensitize and motivate students and faculties to pursue innovation and start-up during their academic.
- Generate awareness on innovation, IPR and start up among the students and faculties
- Establish strong connection with ecosystem enablers at regional and national level, and aware students and faculty members about innovation and start-up ecosystems.
