

Open Elective List

1. Students are advised to fill the open elective in their registration form as per the list given below. No change in the subject will be allowed.
2. The students who have not assigned any open elective may choose open elective course in consultation with their registration incharge and also take care that the selected subject shall not be from the department (student). Available subjects: **(i) Neural Network and Fuzzy Logic System (EE-370), MEMS Design (EC-370).**
3. Registration Incharge(s) are requested to submit the list of open elective assigned to the students.

S. No.	Roll No.	Subject ID	Subject Name
CPM and PERT (CE-306)			
1	20bcs025	CE-306	CPM and PERT
2	20bcs017	CE-306	CPM and PERT
3	20bcs031	CE-306	CPM and PERT
