No. NIT/HMR/DSW/RO/2021/ 9514-15

DATED: 14 July 2021

NOTICE

This is in supersession to previous notice no. NIT/HMR/DSW/RO/2021/9481-82 dated 2nd July 2021, regarding reopening of the campus to provide physical access to the students in a phased manner.

In the review meeting held on 12 July 2021 to assess overall situation, it has been decided to give an option to Ph.D. scholars who have got at least one dose of Covid 19 Vaccination administered, to physically attend the institute. However, keeping in view the possibility of the third wave of pandemic as anticipated through various sources, it was decided that hostel facility shall not be extended to Ph.D. Scholars due to non-availability, and they shall have to make their own stay and dining arrangements. Further, on the basis of representation and verbal communications received from many students, it is not mandatory to be present physically in the campus, but optional.

The decision regarding option to M. Tech 2nd Year students to be physically present in the campus is still kept on hold, till the next review meeting.

However, with regard to M. Tech first Year, M. Sc. and B. Tech students, it was decided that classes shall be engaged in online mode as per previous semester till further order.

Interested Ph.D. scholars, shall be required to furnish a undertaking attached below to this office after arrival.

This has been issued with prior approval of the competent authority.
